

IBM SkillsBuild Internship Program 2024

Are you ready to revolutionize your approach to problem-solving and unleash your innovative spirit?

Don't miss out on our exclusive 3-week Virtual Internship Program on Artificial Intelligence-Machine Learning

starting from June 2024!!

Artificial Intelligence-Machine Learning

If you have got college domain IDs then embark on a journey with the AI ML IBM SkillsBuild Internship. Get access to 800+ courses, software and cloud worth 200\$ free! Develop practical expertise in AI under the guidance of professionals. Elevate your career prospects with hands-on projects and personalized mentorship, unlocking endless opportunities in the ever-evolving tech landscape.

Time Commitment: 3 weeks

Mode of Camp: Virtual Mode

Language: English

Dates: 13th June 2024 to 28th June 2024

Key Benefits:

- Opportunity to gain internships and full time job opportunities.
- Acquire programming, domain-specific skills, and software expertise.
- Benefit from online learning and weekly sessions with industry experts.
- Connect and compete with peers across India.
- Expand your professional network and earn globally recognized SkillsBuild badges.
- Convert your learning into demonstrable projects for potential employers.
- Transform your learning into a tangible showcase for future employers.

Note:

- Students can participate in the Internship Program as a team with 4-5 members not as an individual.
- You can only participate in AI-ML Internship if your college has provided you with the domain ids (Like - @iisu.ac.in, pvpp.edu.in)

Upon completion of the program, attendees will be awarded certificates and provided with job placement assistance through IBM and its network partners. The top-performing teams will also be granted exclusive prizes and the opportunity to participate in IBM's national annual showcase event, taking place in October at Hotel Pullman, New Delhi Aerocity.
